

# Niagara Falls Workcamp

*This summer, experience the two sides of life in Niagara Falls — both the beauty and the brokenness. We will join with other churches and YouthWorks to partner with a wide variety of service organizations in this city. Serve through work projects in soup kitchens, homeless shelters and senior centers and volunteer with children's programs. Enjoy the beauty Niagara offers by visiting Historic Fort Niagara or Fort Niagara State Park. End the week with local residents, enjoying fellowship through a community meal.*

*Along the way, we will have fun day events to break up the travel.*

*This will be an amazing experience, and we hope that you will join us!*
